# Dual Induction Charge Station

## with 2 Rechargeable Batteries for Wii Remote™ & One Li-ion Battery for DSi/DSi™ XL

*Wi-NCWD*

for Wii™

DSi™ & DSi™ XL

INDUCTION CHARGER

Wii™ Motion Plus Compatible

**Pack includes the following:**

(2) 900 mAh Rechargeable Batteries

(1) Li-ion Battery for DSi/DSi XL

(1) AC Adapter

Store and Charge your Wii remotes, using non-contact induction charging technology, and even charge your DSi/DSi XL system too, wirelessly! Our charging solution is simple, just place up to 2 Wii remotes (with or without motion Plus adapters connected) on the magnetic charging cradles and place your DSi/DSi XL system on the charging pad below. We even include 2 induction batteries for the Wii remotes, and 1 Li-ion battery for your DSi/DSi XL. This charger makes it possible to recharge without having to plug in any wires, or buy disposable batteries. This charger organizes stores and charges your remotes, and DSi/DSi XL system with ease.

### Specification:

- LED lights illuminate blue while charging,
- LED lights illuminate green when fully charged
- Powered by AC adapter
- Battery Type: 900mAh Rechargeable

### Features:

- Eliminates messy wires
- Charge up to 2 remotes at once
